2015-2017 Christine A. Brunswick Public Service Fellowship

APPLICATION DEADLINE NOVEMBER 14, 2014

The Section of Taxation is now accepting applications for the 2015-2017 Christine A. Brunswick Public Service Fellowship class. Applications are due Friday, November 14, 2014.

The Public Service Fellowship program was developed in 2008 to address the need for tax legal assistance, and to foster an interest in tax-related public service among those individuals who participate. In 2013, the Public Service Fellowship was re-named the Christine A. Brunswick Public Service Fellowship in honor of the late Christine A. Brunswick, the Section’s former Executive Director for over 20 years. Christine was a strong proponent of advancing public service efforts in tax law and fostering a fair and equitable tax system. Under her leadership, the Tax Section has devoted significant resources to further that goal.

WHY IT IS IMPORTANT?
Public Service has been an integral part of the Section’s activities for many years. The Section has actively encouraged member participation in various public service efforts, held numerous training sessions to that end, and devoted much of its resources to providing legal services to those in need.

WHERE WILL YOU WORK?
The proposed employment must involve taxation or administration of tax law and must be with a public-interest, non-profit section 501(c)(3) organization (the “Sponsoring Organization”). Each Fellow is expected to serve a two-year term with the Sponsoring Organization. The applicant must identify and secure a position with a Sponsoring Organization before applying for the Fellowship (although the position may be contingent upon award of the Fellowship).
