TEST YOUR TAX KNOWLEDGE AND GET IN FRONT OF TOP TAX LAWYERS

LAW STUDENT TAX CHALLENGE (LSTC)

An alternative to traditional moot court competitions, the Law Student Tax Challenge asks two-person teams of students to solve a cutting-edge and complex business problem that might arise in everyday tax practice. Based on the written work product, multiple teams from both the J.D. and LL.M. Divisions are invited to defend their submission before a panel of judges. Through this competition you will meet and network with some of the nation's top tax lawyers. It's a great way to sharpen your skills and build your resume. Don't hesitate, pick your team of two and get ready for this year's competition!

*Due to COVID-19 this year's competition could potentially be moved to a virtual platform
