arrival.

The incident occurred in the garage portion of the victim's residence. The victim appears to have been sitting in the driver's seat of his car when the attack occurred. E.M.S. was removing the victim from the vehicle just as I approached the scene. 119.071(2)(c) F.S.

Immediately after E.M.S. removed the victim from the scene, Sgt. Sims, Inv. Bradshaw, and I checked the residence to ensure that there was no one else in distress within the home. We did not locate anyone inside.

Investigators and forensic units were then summoned to the scene to take over the investigation. I then spoke with the complainant and obtained an account of what he observed. See "Witness Account" below for further information. Ofc. Thompson and I then established the crime scene and began canvassing the neighborhood for potential witnesses. I checked the following homes, but no one appeared to be home at these locations; 2117 Trescott Dr. 12:00PM, 2121 Trescott Dr. 12:03PM, 2125 Trescott Dr. 12:05PM, and 2126 Trescott Dr. 12:06PM. See "Supplemental Report" by Ofc. Thompson for further information regarding her involvement in this case as well as the crime scene log.
